Complete the water use information for the point(s) of diversion listed below. A point of diversion is the location from which you are approved to divert water. It may not be the location of the irrigated land. If more than one well or pump site is located on an approved point of diversion, please provide the cumulative volume of water pumped from each point of diversion. Only the total water use field is required. If the point of diversion is not developed, please indicate "Not Developed" next to the appropriate point of diversion.
