Project WET Facilitator Leadership Workshop

April 1-3, 2016

Bismarck Public School Career Academy
Bismarck, ND

Join us for this exciting leadership workshop that teaches strategies for Project WET facilitation. Perfect for K-12 teachers, informal educators, and leaders who work with kids and want to share the importance of water in our lives. This workshop introduces participants to numerous water curriculum guides and activities. Designed to challenge students and introduce new science, social studies, language and math concepts. Upon completion of this workshop, participants will be certified and be awarded the Project WET facilitator certification. Participants can earn 2 graduate credits *(upon approval)* for this workshop through UND, MiSU, and NDSU.

Registration Deadline: March 23, 2016

To Register:
email Tina Harding at tinamharding@nd.gov
or call 701-328-4833

Confirmation information will be sent to all registered participants.
