1989 INDEX

**Agassiz Water Supply Project** - Consideration of Request for Local Contribution Provided by Local Sponsor to Phase I of Project be Approved as a Portion of the Non-Federal Costs of the Overall Total Project;
  **SWC Approval of Request** 113

**Apollo Sign Company** - Consideration and Approval of Request to Place Sign on State Water Commission Property 184

**Backes, Richard:**
1) **SWC Commission Term**: 7-1-85 - 1-15-89  1
2) **Highway Commissioner Appointment**: 1-15-89  1
3) **SWC Consideration and Approval of Resolution of Appreciation 89-1-429** 19, 22

**Baldhill Dam** - Consideration and SWC Support of Proposed Corps of Engineers Modification to Dam for Safety Purposes and SWC is Agreeable to do whatever is Necessary to Seek a Non-Federal Sponsor for Project if Satisfactory Resolution of Final Details of Cost Sharing is Accomplished 136

**Barnes County Water Resource District** - Consideration of Request for Cost Sharing for Sheyenne River Snagging and Clearing Project;
  **SWC Approval of $9,440** ($5,200 from Contract Fund and $4,240 as Technical Assistance from SWC Engineering Staff) (25% of Eligible Project Costs) 14

**Binegar, Randall:**
1) **Resignation as MR&I Water Supply Program Coordinator**, Effective 10-20-89 146
2) **SWC Consideration and Approval of Resolution of Appreciation 89-12-435** 182, 186
Biota Transfer Study (Interbasin Biota Transfer Study):

1) Study Status Reports ------------------ 25

2) SWC Consideration and Approval of Resolution 89-3-431, Encouraging the US Bureau of Reclamation to Participate in Cost Sharing in the Interbasin Water Transfer Studies Program Being Coordinated by the North Dakota State Water Commission and to "Pool" Their Funds with those of the State Water Commission, Garrison Diversion Conservancy District, North Dakota Resources Research Institute, and Other Participating Parties ------- 25, 46

Bottineau County Water Resource District - Consideration of Request for Cost Sharing in Reconstruction of Brander Drain No. 7;
** SWC Approval of $134,920 (40% of Eligible Project Costs) ----- 67

Burke County - Consideration and Approval of Release of Easement for Parcel of Land Located in West One-Half of Section 2, Township 163 North, Range 94 West ------- 91, 96

Cass County Drain No. 19, Phase I - Consideration of Request from North Cass Water Resource District for Cost Sharing in Channel Improvement Project;
** SWC Approval of $7,000 (40% of Eligible Project Costs) ----- 109

Cavalier County Water Resource District - Consideration of Request for Cost Sharing of Rush Lake Restoration Project;
** SWC Approval of $223,100 ($171,850 from Contract Fund and Balance SWC Engineering Services) (40% of Eligible Project Costs) ----- 69

Creel Domestic Utilities Project - Consideration of Request for MR&I Water Supply Program Funds in the Amount of $337,500, and Request for 50% Grant of $56,250 for Non-Federal Project Costs;
** SWC Action Deferred ------------------- 175
Dakota Gasification Company:

1) SWC Consideration of Request to Rescind Water Permit Condition No. 6 -- 127, 144

2) SWC Motion to Rescind Condition - Deferred ------------------------------- 127

3) SWC Approval of Request to Rescind Condition ----------------------------- 144

4) Resolution from Dakota Gasification Company Board of Directors Pledging to Utilize the Water, Energy and Other Resources at its Disposal to Help Enhance and Diversify the Economy of the State of North Dakota and to help Maintain Stable Electric Consumers by Continuing and Expanding Development of the Great Plains Synfuels Plant, Resolution dated October 11, 1989 ------- 144, 160

5) Letters of Response from SWC to Dakota Resources Council and Mercer County Landowners Association Regarding Commission Action ------------------------------- 183

Devils Lake Flood Control Project:

1) Project Status Reports ---------------------- 92, 116, 123, 141, 165

2) Presentation by Corps of Engineers Regarding Re-evaluation of Draft Feasibility Report and Environmental Impact Statement ------------------------------- 92

3) Devils Lake Outlet Committee Report and Recommendations on Corps of Engineers Re-evaluation of Report ------- 116

4) Commissioner Jacob Gust Appointed as Member of Devils Lake Outlet Committee to Replace Richard Backes --- 117, 123

5) Presentation by Representative Gordon Berg Relative to Project ---------------------- 117

6) SWC Approval to Request Corps of Engineers to Complete Flood Control Study as Quickly as Possible; Requesting that Senator Burdick Seek
a Directive to the Corps of Engineers for the Authority to Conduct a Study for the Purposes of Providing Plans for the Development, Utilization, and Conservation of Water and Related Land Resources in the Devils Lake Basin; and that the Initial Study be a Reconnaissance Level Study, Completed Within Twelve Months, Addressing Water Management, Stabilized Lake Levels, Water Supply, Water Quality, Recreation, Water Pollution Abatement, and Enhancement and Conservation of Fish and Wildlife ---- 123

7) SWC Response to Corps of Engineers December 1, 1989 Letter Indicating it Cannot be Local Project Sponsor for Devils Lake Outlet Flood Control Study and Accepts Suspension of Study Until Such Time the Fiscal Situation in North Dakota Improves and a Local Project Sponsor can be Identified 165

E

Edgeley Water Supply Project - Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
** SWC Approval of $4,875 MR&I Funds (75% of Study Costs) 9

Edmore Water Supply Project - Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
** SWC Approval of $3,750 MR&I Funds (75% of Study Costs) 10

Englevale Rural Water Project:

1) Consideration of Request for MR&I Water Supply Program Funds for Design and Construction Phase;
   ** SWC Approval of $69,750 MR&I Funds (75% of Design and Construction Costs) 31

2) Consideration of Request for 50% Grant Through MR&I Water Supply Program Allocation of Resources Trust Fund for Non-Federal Share of Project;
   ** SWC Approval of $13,125 41
F

Fahy, Vernon:

1) State Engineer and Chief Engineer-Secretary of the State Water Commission (May 1, 1973 - May 31, 1989)

2) Resignation as State Engineer and Chief Engineer of the State Water Commission, Effective May 31, 1989 --------------- 53, 76

3) SWC Consideration and Approval of Resolution of Appreciation 89-6-433 --- 94, 97

Fargo Water Supply Project - Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
** SWC Approval of $5,000 MR&I Funds (75% of Study Costs) --------------- 149

Fay, James T. - Appointed Southwest Pipeline Project Manager, Effective October 1, 1989 140

Frink, Dale - State Water Commission Director of Engineering, Effective August 23, 1989 - 122

G

Garrison Diversion Project:

1) Project Status Reports --------------- 2, 30, 61, 79, 129, 145, 170

2) Mid-Dakota Reservoir Proposal - Presentation by Stephen Hoetzer ------- 2

3) Interbasin Water Transfer Studies Program (Biota Transfer):
   a) Study Status Reports --------------- 25, 45, 81, 146, 179
   b) SWC Consideration and Approval of Resolution 89-3-341, Encouraging the US Bureau of Reclamation to Participate in Cost Sharing in the Interbasin Water Transfer Studies Program Being Coordinated by the State Water Commission and to "Pool"
Their Funds with those of the Program Participating Parties -- 25, 46

4) Red River Municipal Water Supply Study:
   a) Study Status Reports -------- 28, 81, 156, 167
   b) Commissioner William Lardy's Comments Relative To Red River Study and Use Of Water To Encourage Economic Development -- 81
   c) SWC Consideration and Approval to Enter into Contract with North Dakota State University to Conduct Study of Economic and Population Projections for Study and Cost Sharing in 12 1/2 Percent of Costs with Money from the Garrison MR&I Needs Assessment Fund ------------------------ 81

5) Consideration and Approval to Schedule Joint State Water Commission and Garrison Diversion Conservancy District Meeting ------------------------------- 14

6) Critique Summary of US Bureau of Reclamation's Sykeston Canal Evaluation and Risk Analysis, Dated March, 1989 -- 74

7) Fiscal Year 1990 Federal Budget:
   a) Reduction of Funds for FY 1990 by 12%, or $3.6 Million -------- 171

8) Reorganization of United States-Canada Garrison Diversion Technical Committee ------------------------------- 145, 170

9) Municipal, Rural and Industrial (MR&I) Water Supply Program:
   a) MR&I Program Status Reports ----- 7, 30, 61, 79, 113, 129, 146, 171
b) MR&I Project Priority Committee:
   1) Committee Reports -------- 12
   2) SWC Adoption of Committee Report ------------------ 13

c) Consideration and SWC Approval of Construction, Engineering, Right-of-Way and Legal as Eligible Water Supply Project Costs for MR&I Water Supply Program Funds - 30

d) SWC Discussion Relative to Considering Potential for Economic Development as a Priority Factor when Considering Water Supply Projects for Funding 113

e) SWC Discussion Relative to Concept of Communities with Populations Over 500 to Develop Contingency Water Supply Plans -- 119, 136

f) Resignation of Randall Binegar, MR&I Water Supply Program Coordinator, Effective 10-20-89 - 146

g) Jeffrey Mattern Named As MR&I Water Supply Program Coordinator, Effective 11-1-89 ------------------ 146

h) Consideration and SWC Approval of Appointment of Garrison Diversion Conservancy District Committee to Develop Recommendations on Percentage of MR&I Funding for Feasibility Studies:
   1) Commissioners Jerome Spaeth and Norman Rudel Appointed 14
   2) Report and Recommendations from Committee -------------- 65
   3) SWC Adoption of Policy Recommendation by Committee 65
   4) Appointment of Commissioners Jerome Spaeth and Norman Rudel to Appeals Board to Hear Special MR&I Cases for Funding Feasibility Studies 66
5) Comments by Clark Cronquist, Agassiz Rural Water Supply Project, Relating to Cost Sharing Formula on MR&I Funding for Projects ---- 179

i) Northwest Area Water Supply Study (NAWS):

1) Study Status Reports ------ 17, 176

2) Completion and Presentation of Summary on Supplemental Study to Northwest Area Water Supply Study ------- 57

3) SWC Authorization for State Engineer and Staff to Continue Negotiations with Three Affiliated Tribes for Development of Alternative for Integrating the Proposed Water Improvements for the Fort Berthold Indian Reservation with the Proposed Water Improvement of NAWS Study --------------------- 58

** SWC Approval of MR&I Funds of $22,936 ------- 176

5) Consideration of Request for 25% Grant from Resources Trust Fund in Amount of $7,646 for Non-Federal Share of Study Costs of NAWS Study Integration East Water Supply Program;
** SWC Approval of 25% Grant from Resources Trust Fund in Amount of $7,646 -------------- 176

j) Consideration of MR&I Water Supply Program Funds for Needs Assessment Account;
** SWC Approval of MR&I Funds of $75,000 ------------------- 171
k) Agassiz Rural Water Supply Project - Consideration of Request for MR&I Water Supply Program Funds for Non-Federal Projects Costs for Phase I;
** SWC Approval of Request (No Specific Amount Approved) ---- 113

l) Creel Domestic Utilities Project - Consideration of Request for MR&I Water Supply Program Funds in Amount of $337,500, and Request for 50% Grant of $56,250 for Non-Federal Costs for Design Phase;
** SWC Action Deferred --------- 175

m) Edgeley Water Supply Project Feasibility Study;
** SWC Approval of MR&I Funds of $4,875 (75% of Study Costs) -- 9

n) Edmore Water Supply Project Feasibility Study;
** SWC Approval of MR&I Funds of $3,750 (75% of Study Costs) -- 10

o) Englevale Water Supply Project Design and Construction Phase:
** SWC Approval of MR&I Funds of $69,750 (75% of Phase Costs) - 31

** SWC Approval of 50% Grant, in the Amount of $13,125 Through Resources Trust Fund for Non-Federal Share of Design and Construction Phase ------- 41

p) Fargo Water Supply Project Feasibility Study;
** SWC Approval of MR&I Funds of $2,000 (75% of Study Costs) -- 149

q) Golden Lake Resort Water Supply Project:
1) ** SWC Approval of MR&I Funds of $6,000 for Feasibility Study (75% of Study Costs) ---- 9
2) ** SWC Approval of MR&I Funds of $43,500 for Design and Construction Phase (75% of Costs) ----- 32

r) Grandin Water Supply Project Feasibility Study;
** SWC Approval of MR&I Funds of $2,500 (75% of Study Costs) 147

s) Gwinner Water Supply Project for Design and Construction Phase;
** SWC Approval of MR&I Funds of $182,500 (75% of Costs) ----- 11

t) Hankinson Water Supply Project:

1) ** SWC Approval of MR&I Funds of $6,000 for Feasibility Study (75% of Costs) ----- 9

2) ** SWC Approval of MR&I Funds of $458,625 for Design and Construction Phase (75% of Costs) ------------------ 34

u) Hannaford Water Supply Project Feasibility Study;
** SWC Approval of MR&I Funds of $5,625 (75% of Study Costs) -- 9

v) Harvey Water Supply Project Feasibility Study;
** SWC Approval of MR&I Funds of $6,075 (75% of Study Costs) -- 9

w) Kensal Water Supply Project Feasibility Study;
** SWC Approval of MR&I Funds of $2,250 (75% of Study Costs) -- 150

x) Killdeeer Water Supply Project Feasibility Study;
** SWC Approval of MR&I Funds of $9,000 (75% of Study Costs) -- 9

y) Kindred Water Supply Project Feasibility Study;
** SWC Approval of MR&I Funds of $2,000 (75% of Study Costs) -- 148
z) Langdon Rural Water Supply Project:

1) ** SWC Approval of MR&I Funds of $184,500 for Design and Construction of Phase II (75% of Project Costs) --- 62

2) Dedication of Phase I of Project on June 13, 1989 -- 79

3) ** SWC Approval of $1,151,784 in Form of MR&I Program Grant for Partial Costs of Construction of Phase II ---------------- 130

aa) Lehr Water Supply Project Feasibility Study:
** SWC Approval of MR&I Funds of $5,250 (75% of Study Costs) -- 9

bb) McLean-Sheridan Water Supply Project:

1) ** SWC Approval of MR&I Funds of $3,016,500 for Phase I Construction of Project (75% of Costs) - 63

2) ** SWC Approval of 50% Grant Through the MR&I Allocation of the Resources Trust Fund for Non-Federal Share for Construction Costs in an Amount not to Exceed $502,750 ---------------- 64

3) ** SWC Approval for Repayment of $165,000 Loan, Plus Interest, Through Deduction of $502,750 Resources Trust Fund Grant Provided for the Construction of Project - 155

4) ** SWC Approval of MR&I Funds of $710,250 for Construction of Alternative 4, Coleharbor Component, of Project (75% of Costs) ---------------- 174
5) Consideration of Request for 50% Grant for Non-Federal Share of Project Costs for Alternative 4, Coleharbor Component, of Project in Amount of $118,375;
   ** SWC Action Deferred -- 174

cc) Minto Water Supply Project:

1) Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
   ** No SWC Action Taken -- 13

2) ** SWC Approval of MR&I Funds of $662,250 for Design and Construction Phase of Project and that City of Minto be Allowed to Determine the Water Supply Source ---- 38

3) ** SWC Approval of 50% Grant through MR&I Allocation of Resources Trust Fund for Non-Federal Share of Design and Construction Costs for Alternative No. 1, for Grafton Supply, not to Exceed $96,750 -------------- 80

4) Comments from Minto City Mayor on Project ----------- 179

dd) Missouri West Rural Water Supply System Feasibility Study;
   ** SWC Approval of MR&I Funds of $23,625 (75% of Study Costs) -- 9

ee) New Town Water Storage Reservoir Project:

1) ** SWC Approval of MR&I Funds of $7,500 for Feasibility Study (75% of Study Costs) --------- 9
2) ** SWC Approval of MR&I Funds of $108,000 for Design and Construction Phase of Project ------- 35

ff) Old Settlers Park Water Supply Project Feasibility Study;
** SWC Approval of MR&I Funds of $5,250 (75% of Study Costs)  9

gg) Park River Water Supply Project Feasibility Study;
** SWC Approval of MR&I Funds of $3,500 (75% of Study Costs)  151

hh) Rolla Water Supply Project Feasibility Study;
** SWC Approval of MR&I Funds of $6,000 (75% of Study Costs)  9

ii) Rugby Water Treatment Project:

1) ** SWC Approval of MR&I Funds of $10,500 for Feasibility Study (75% of Study Costs) --------- 9

2) ** SWC Approval of MR&I Funds of $187,500 for Design and Construction Phase (75% of Costs) --- 36

3) ** SWC Approval of Additional MR&I Funds of $61,635 for Construction of Phase I of Project (75% of Project Costs)  115

jj) Southwest Pipeline Project:

1) Consideration and SWC Approval of Policy to Allow the Interest Earned on the Southwest Pipeline Project MR&I Allocation to be Spent on the Pipeline Project ------------------ 66

2) Consideration and SWC Approval of Allocation of Federal FY 1989 Year-End MR&I Funds in Amount of
$2,033,000 to be used for Construction of Southwest Pipeline Project -------- 172

3) SWC Comments that Southwest Pipeline Project is of High Priority when Reallocation of FY 1990 MR&I Funds are Determined -------------- 180

kk) Streeter Water Supply Project Feasibility Study;
   ** SWC Approval of MR&I Funds of $5,625 (75% of Study Costs) - 9

11) Wishek Water Supply Project Feasibility Study;
   ** SWC Approval of MR&I Funds of $6,750 (75% of Study Costs) - 9

Golden Lake Resort Water Supply Project:

1) Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
   ** SWC Approval of $6,000 MR&I Funds (75% of Study Costs) ---------- 9

2) Consideration of Request for MR&I Water Supply Program Funds for Design and Construction Phase;
   ** SWC Approval of $43,500 MR&I Funds (75% of Eligible Costs) ---- 32

Golden-Rush Lake Outlet Channel - Consideration of Request from Steele County Water Resource District for Cost Sharing;
   ** SWC Approval of $9,950 ($7,050 is from Contract Fund and Balance SWC Engineering Services)
   (33% of Eligible Project Costs) ----- 72

Grand Forks New Riverside Park Dam - Dedication of Dam on June 22, 1989 -------------- 79

Grandin Water Supply Project - Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
   ** SWC Approval of $2,500 MR&I Funds (75% of Study Costs) ------------ 147
Grants - Governor Sinner's Request to Delay Dispersion of Grants Using State General or Special Fund Money Under the Agency's Authority which are not bound by a Certain Time Requirement in the Authorizing Legislation

** SWC Approval of $182,500 MR&I Funds (75% of Eligible Project Costs) ---- 11

Hammer-Sullivan Drain No. 1, Phase II -
Consideration of Request from Ramsey County Water Resource District for Cost Sharing in 40% of Eligible Project Costs in the Amount of $120,566 for Construction of Project;
** SWC Action Deferred --------------------- 181

Hankinson Water Supply Project:

1) Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
   ** SWC Approval of $6,000 MR&I Funds (75% of Study Costs) ---------- 9

2) Consideration of Request for MR&I Water Supply Program Funds for Design and Construction Phase;
   ** SWC Approval of $458,625 MR&I Funds (75% of Eligible Costs) --- 34

Hannafrord Water Supply Project - Consideration of MR&I Water Supply Program Funds for Feasibility Study;
** SWC Approval of $5,625 MR&I Funds (75% of Study Costs) ------------ 9

Harvey Water Supply Project - Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
** SWC Approval of $6,075 MR&I Funds (75% of Study Costs) ------------ 9
Heimdal Drain - Consideration of Request from Nelson County Water Resource District for Additional Cost Sharing and Reappropriation of Approved Carry-Over Funding for Project; ** SWC Approval of $58,615 (40% of Eligible Project Costs) ---- 85

I

Interbasin Water Transfer Studies Program (Biota Transfer):

1) Study Status Reports ------------------ 25, 45, 81, 146, 179

2) SWC Consideration and Approval of Resolution 89-3-341, Encouraging the US Bureau of Reclamation to Participate in Cost Sharing in the Interbasin Water Transfer Studies Program Being Coordinated by State Water Commission and to "Pool" Their Funds With Those of the Program Participating Parties -------- 25, 46

J

Jones, Kent:

1) Term as Ex-Officio Member of SWC:
   Defeated by Sarah Vogel in 1988 Election

2) Consideration and SWC Approval of Resolution of Appreciation 89-1-430 --- 19, 21

K

Kensal Water Supply Project - Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
** SWC Approval of $2,250 MR&I Funds (75% of Study Costs) --------------- 150

Killdeer Water Supply Project - Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
** SWC Approval of $9,000 MR&I Funds (75% of Study Costs) --------------- 9
Kindred Water Supply Project - Consideration of MR&I Water Supply Program Funds for Feasibility Study;
** SWC Approval of $2,000 MR&I Funds (75% of Study Costs) ---------

Lake Hoskins Project - Consideration of Request from McIntosh County Water Resource District for Cost Sharing;
** SWC Approval of $14,256 ($10,800 from Contract Fund and Balance SWC Engineering Services) (33% of Eligible Project Costs) ----

Lakota Drain (Nelson County Legal Drain #4) - Consideration of Request for Additional $6,344 for Project;
** SWC Approval of $6,344, not to Exceed Total Project Cost of $19,274 (40% of Eligible Project Costs) ----

Lake Sakakawea - Lake Oahe Surplus Land Proposal for Corps of Engineers to Return Lands to Indian Tribes:
1) Proposal Discussion -------------------
2) SWC Decision to Meet with SORIC to Discuss and Provide Comments to Proposal

Langdon Rural Water Supply Project:
1) Consideration of Request for MR&I Water Supply Program Funds for Phase II;
   ** SWC Approval of $184,500 MR&I Funds-62
2) Dedication for Phase I - June 13, 1989
3) Consideration of Request for MR&I Water Supply Program Funds for Part I of Construction Phase of Phase II;
   ** SWC Approval of $1,151,784 MR&I

Lehr Water Supply Project - Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
** SWC Approval of $5,250 MR&I Funds (75% of Study Costs) ------------
Mattern, Jeffrey - Named as MR&I Water Supply
Program Coordinator, Effective 11-1-89 ---- 146

McIntosh County Water Resource District -
Consideration of Request for Cost Sharing
in Lake Hoskins Project;
** SWC Approval of $14,256
($10,800 from Contract Fund and
Balance SWC Engineering Services)
(33% of Eligible Project Costs) ---- 71

McLean-Sheridan Water Supply Project:

1) ** SWC Approval of MR&I Funds of
$3,016,500 for Phase I Construction
of Project (75% of Costs) -------- 63

2) ** SWC Approval of 50% Grant Through
the MR&I Allocation of the Resources
Trust Fund for Non-Federal Share for
Construction Costs in an Amount not
to Exceed $502,750 -------------- 64

3) ** SWC Approval for Repayment of
$165,000 Loan, Plus Interest,
Through Deduction of $502,750
Resources Trust Fund Grant Provided
for the Construction of Project --- 155

4) ** SWC Approval of MR&I Funds of
$710,250 for Construction of
Alternative 4, Coleharbor Component,
of Project (75% of Costs) -------- 174

5) Consideration of Request for 50% Grant
for Non-Federal Share of Project Costs
for Alternative 4, Coleharbor Component,
of Project in Amount of $118,375;
** SWC Action Deferred ----------- 174

Meetings:

January 26, 1989
March 9, 1989
April 20, 1989 (Telephone Conference Call)
May 10, 1989
June 7, 1989
June 15, 1989 (Telephone Conference Call)
Mid-Dakota Reservoir (Garrison Diversion Project) - Presentation by Stephen Hoetzer Relative to Project

Minto Water Supply Project:

1) Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
   ** No SWC Action Taken

2) ** SWC Approval of MR&I Funds of $662,250 for Design and Construction Phase of Project and that City of Minto be Allowed to Determine the Water Supply Source

3) ** SWC Approval of 50% Grant Through MR&I Allocation of Resources Trust Fund for Non-Federal Share of Design and Construction Costs for Alternative No. 1, for Grafton Supply, not to Exceed $96,750

4) Comments from Minto City Mayor on Project

Minutes of Meetings:

December 7, 1988 Considered and Approved - 1
January 26, 1989 Considered and Approved - 23
March 9, 1989 Considered and Approved - 50
April 20, 1989 (Telephone Conference Call) Considered and Approved - 51
May 10, 1989 Considered and Approved - 78
June 7, 1989 Considered and Approved - 103
June 15, 1989 (Telephone Conference Call) Considered and Approved - 103
July 7, 1989  Considered and Approved - 121
August 24, 1989 Considered and Approved - 139
October 20, 1989 Considered and Approved - 162

Missouri River:

1) Status Reports ------------------------ 143, 169
2) US Army Corps of Engineers Review of Master Manual for River Operations ---- 143
3) State Engineer Appointed as North Dakota Representative to Missouri River Basin Governors' Oversight Committee -- 170
4) Formation of Master Manual Review Committee Considering Missouri River Water Uses ---------------------- 170

Missouri West Rural Water Supply System - Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
** SWC Approval of $23,625 MR&I Funds (75% of Study Costs) ------------- 9

Municipal, Rural and Industrial (MR&I) Water Supply Program
(See No. 9 under Garrison Diversion Project)

N

Nelson County Legal Drain No. 4 (Lakota Drain) - Consideration of Request for Additional $6,344 for Project;
** SWC Approval of $6,344, not to Exceed Total Cost of $19,274 (40% of Eligible Project Costs) ----- 82

Nelson, Dennis:

1) Water Education for Teachers Program (WET) - Resignation as Program Coordinator; Effective 11-15-89 -------- 158
2) Resolution of Appreciation 89-12-436 -- 183, 187
New Town Water Storage Reservoir Project:

1) ** SWC Approval of MR&I Funds of $7,500 for Feasibility Study (75% of Study Costs) -------- 9

2) ** SWC Approval of MR&I Funds of $108,000 for Design and Construction Phase of Project ------ 35

North Cass Water Resource District - Consideration of Request for Additional Cost Sharing and Carryover Funding for RC&D Critical Area Treatment Site #31C; ** SWC Approval of Additional $1,091 (Total Eligible Costs of Project not to Exceed $8,235) (40% of Eligible Project Costs) ------ 84

North Cass Water Resource District - Consideration of Request for Cost Sharing in Channel Improvement Project for Cass County Drain No. 19, Phase I; ** SWC Approval of $7,000 (40% of Eligible Project Costs) ------ 109

Northwest Area Water Supply Study (NAWS):

1) Study Status Reports ------------------ 17, 176

2) Completion and Presentation of Summary on Supplemental Study to Northwest Area Water Supply -------- 57

3) SWC Authorization for State Engineer and Staff to Continue Negotiations with Three Affiliated Tribes for Development of Alternative for Integrating the Proposed Water Improvements for the Fort Berthold Indian Reservation with the Proposed Water Improvement of NAWS Study ------ 58

5) Consideration of Request for 25% Grant from Resources Trust Fund in Amount of $7,646 for Non-Federal
Share of Study Costs of NAWS Study Integration East Water Supply Program;
  ** SWC Approval of 25% Grant from Resources Trust Fund in Amount of $7,646 ----------- 176

Old Settlers Park Water Supply Project - Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
  ** SWC Approval of $5,250 MR&I Funds (75% of Study Costs) -------------- 9

Park River Water Supply Project - Consideration of Request for MR&I Water Supply Program Funds for Feasibility Study;
  ** SWC Approval of $3,500 MR&I Funds (75% of Study Costs) -------------- 151

Ramsey County Water Resource District - Consideration of Request for Cost Sharing in 40% of Eligible Project Costs in the Amount of $120,566 for Construction of Project;
  ** SWC Action Deferred -------------- 181

Red River Dikes:

1) Project Status Reports -------------- 73, 112, 125, 142, 168

2) SWC Consideration and Approval to Set Aside $6,500 to Pay Expenses Necessary to Bring Wosick Dike into Compliance with Corrective Plan -- 125, 142

3) SWC Consideration and Approval for Additional $2,130 for Wosick Dike Removal ____________________ 168
Red River Municipal Water Supply Study:

1) Project Status Reports --------------- 28, 81, 156, 167

2) Commissioner William Lardy's Comments
   Relative to Red River Study and Use
   of Water to Encourage Economic
   Development ------------------------ 81

3) SWC Consideration and Approval to
   Enter into Contract with North Dakota
   State University to Conduct Study
   of Economic and Population
   Projections for Study and Cost Sharing
   in 12 1/2 Percent of Costs with Money
   from the Garrison MR&I Needs Assess-
   ment Fund ------------------------ 81

Reile's Acres, City of, Flood Control Study -
Consideration of Request from Southeast
Cass Water Resource District for Cost
Sharing in Study;
** SWC Approval of $10,000
   (50% of Eligible Study Costs) ------ 110
