WATER USAGE (If no usage, explain why)

Complete the water use information for the point(s) of diversion listed below in **bold type**. A point of diversion is the location on the water permit from which you are approved to divert water by means of a well, a pump site on a river or reservoir, a diversion dike, or a dam. It may **not** be the location of the irrigated land. If more than one well or pump site is located on an approved point of diversion, please provide the cumulative volume of water pumped from each point of diversion. If the point of diversion is not developed, please indicate "Not Developed" next to the appropriate point of diversion.
